

For over 24 years, Evan Frayman has worked to prepare himself to serve Florida's Sixth Judicial Circuit and now we are asking you to vote for Evan on **August 18, 2020**. Practicing in the areas of business litigation, employment law, family law, mediation, and, most recently, criminal law, Evan understands what regular citizens and small businesses need from our Judiciary. We need a court system that emphasizes efficiency and permits our citizens to have their day in court without the unnecessary delays and costs often experienced. After all, you shouldn't have to commit a crime to be entitled to a speedy trial.

After graduating from Dartmouth College in 1992, Evan moved to Florida and married Ricki. He then attended the University of Miami School of Law and graduated, magna cum laude, in 1995. Beyond his educational background and professional practice, Evan has the life experience that comes from being happily married for 28-years; raising two daughters and seeing them successfully navigate the Pinellas County public education system; and serving in leadership roles with various community organizations, including as the President of the Dunedin Waterside Rotary Club, and Treasurer of the Clearwater Bar Association. Evan knows what it means to give back to his community and has regularly demonstrated this commitment during his almost 20 years residing in the Sixth Circuit.

Evan is well respected in the legal community and has the support of many of his colleagues. He is known for his even temperament, his thoughtful analysis, and his willingness to problem-solve. If you agree that these traits make Evan well qualified to serve as the next Circuit Judge in the Sixth Circuit, Group 28, vote for Evan on **August 18, 2020!**
